

Associate in Arts Degree

Degree Sequencing Plan Fall 2020 Cohort

The following document represents the pacing and sequencing of the Fall 2020 Cohort, students starting their junior year of high school Fall 2020, for the Associate in Arts degree program at York College. The sequencing plan was developed to consider what classes students are taking in their high school programs, course load, the balance of writing load, course sequencing and prerequisites, and courses that complement one another conceptually.

Requirements

College Readiness (1 hr)
College Readiness (1 hr)
Writing and Communication (9 hrs)
English Comp I (Language and Composition) (3 hrs)
English Comp II (Literature and Composition) (3 hrs)
Introduction to Communication (3 hrs)
Critical Appreciation (3 hrs)
American Literature (3 hrs)
Civics (3 hrs)
U.S. History I (3 hrs)
Cultural Perspectives (3 hrs)
World Civilizations I (3 hrs)
Religious Studies (12 hrs)
Introduction to Christianity (3 hrs)
Old Testament (3 hrs)

New Testament (3 hrs)
Philosophy of Life (3 hrs)
Artistic Expression (3 hrs)
Music Appreciation (3 hrs)
Science (4 hrs)
Physical Science + Lab (4 hrs)
Mathematics (3 hrs)
Quantitative Analysis (3 hrs)
Social Sciences (3 hrs)
Principles of Psychology (3 hrs)
General Electives (16 hrs)
College Algebra (3 hrs)
Chemistry I (3 hrs)
Introduction to Biology + Lab (4 hrs)
Introduction to Information Technology (3 hrs)
Microeconomics (3 hrs)
Introduction to Business and Entrepreneurship (3 hrs)
U.S. History II (3 hrs)
American Government (3 hrs)

Course Sequencing

This sequence assumes that high schools may be required to enroll dual-credit/associate's degree students in at least one traditional high school course per semester to earn their diploma.

Junior Year

Fall		Spring	
HS Courses	YC Courses	HS Courses	YC Courses
Algebra II/English III	Quantitative Analysis	Algebra II/English III	Physical Science + Lab (4 hrs)
	College Readiness		Principles of Psychology
	Introduction to Christianity		U.S. History I
	Introduction to Communication		General Elective*
Total Hours	10	Total Hours	13

* Elective Courses available Spring 2021: College Algebra, Chemistry I, Introduction to Biology + Lab, Introduction to Information Technology, U.S. History II, and American Government.

Summer After Junior Year

HS Courses	YC Courses
NONE	World Civilizations I
	Old Testament
	General Elective
Total Hours	6 - 9

Sequencing Rationale: Students will either need to take a total of six elective courses at three hours each throughout their program, or they will take Biology + Lab at four hours with an additional four electives at three hours each to meet the necessary credit requirements for the program. Students can either choose the Biology + Lab elective or take their additional elective during this summer semester.

Senior Year

Fall		Spring	
HS Courses	YC Courses	HS Courses	YC Courses
½ HS Elective	English Composition I	½ HS Elective	English Composition II
	New Testament		American Literature
	Music Appreciation		Philosophy of Life
	General Elective		General Elective
	General Elective		General Elective
Total Hours	15	Total Hours	15
Total Degree Plan Hours		60
